Mezuzah

The mezuzah is a parchment scroll, on which the Shema, a biblical passage declaring the oneness of G-d, is handwritten by an expert scribe. A mezuzah, mounted on the doorpost, designates the home as Jewish and is a symbol of G-d's watchful care. There's no better time than today to purchase a mezuzah for your door! Or, get your mezuzah checked as is required twice every seven years to see if they have been affected by adverse weather conditions.

Tefillin For Men

Purchase a pair of Tefillin for yourself or as a Bar Mitzvah gift. Tefillin is one of the most important mitzvot and is mentioned several times in the Torah. Tefillin consists of two small leather boxes attached to leather straps. The two boxes each contain four sections of the Torah inscribed on parchment. It is a mitzvah for men to don Tefillin daily.

Shabbat Candles for Women

Join the thousands of Jewish women and girls who light Shabbat candles every Friday. By encouraging Jewish tradition, and through her nurturing presence, the woman determines the level of spirituality in her home. It is thus fitting that she be the one to bring the extra measure of holiness into the home by lighting the Shabbat candles.

For help with lighting or for weekly reminders, contact Hindel Levitin at 561-659-3884 or hindel@palmbeachjewish.com. *
